## The KODAK Gallery Return Form

Here at the KODAK Gallery, we stand by all your purchases. You can request an account credit, a product replacement, or a refund for any of your orders placed within the past 30 days.

### Account Credit

If you are not satisfied with your order for reasons such as Show Entire Image settings, blurred or pixilated images, or personal editing mistakes, please send an email to [credit@kodakgallery.com](mailto:credit@kodakgallery.com) along with a description of the item(s) and reason(s) for the account credit request. At our discretion, we may request that you return the item(s) for quality control purposes. Our Customer Service Team would then provide you with a pre-paid address return label for the item(s) you will be returning.

### Product Replacement

If your order arrived damaged, and you wish to have an exact replacement with no editing changes, we request that you take a photo of the item(s) and email it to [replacement@kodakgallery.com](mailto:replacement@kodakgallery.com) as an attachment. At our discretion, we may request that you return the item(s) for quality control purposes. Our Customer Service Team would then provide you with a pre-paid address return label for the item(s) you will be returning.

### Refund

We can refund your card the full or partial amount of your order, minus shipping costs. To request a refund, please complete and print the below form, package the product(s) for which you are requesting a refund, and attach the included pre-paid shipping label to the outside of your package. You can expect to receive your refund within **2-3 weeks** of shipping your package to us.
